

Taron,

**Re: Alberta Women Entrepreneurs ( AWE) 10th Annual Gala Conference,  
Sept 24,2005**

Thank you so very much for your encouragement, belief and enthusiasm in this project! If it wasn't for you, the momentum would have been lost at each milestone. You were the nucleus of the 'energy in motion'. Reconnection is the very essence of your teachings and it all came together for a reason.

Your presentation topics were well attended and received because women are looking for balance and having and keeping energy so they can enjoy all that life has to offer. You have inspired our conference attendees to dig deeper and ask for more.

Thank you so much for your contribution as it was invaluable!

Chris, Zainum and AWE
